

CITRO Bonaire i-Bulletin

Monthly Recap from February

Issue | 13 March 2025

Stay up to date with the latest news on the activities, developments, and rescue operations of CITRO Bonaire!

CITRO Bonaire in conversation with the Dutch Caribbean Coast Guard

CITRO Bonaire held discussions with the new head of the Dutch Caribbean Coast Guard main base. During this meeting, we discussed the progress of CITRO Bonaire and explored ways to enhance our collaboration. Together, we are working towards a stronger partnership in the fields of Search and Rescue (SAR) and maritime safety.

Opinion: Maritime safety for Bonaire

CITRO Bonaire has placed an article on dossier koninkrijksrelaties. Dossier Koninkrijksrelaties is a service platform for those interested in current information about the cooperation between the Netherlands and the Caribbean parts of the Kingdom: the countries Curaçao, Aruba and Sint Maarten and the special municipalities Bonaire, Sint Eustatius and Saba. Here you will find government documents, news reports, reports, opinion pieces, articles and links to interesting publications in the media that relate to kingdom relations, supplemented with relevant news from the islands.

CITRO Bonaire participates at the National Drowning Symposium

CITRO Bonaire attended the National Drowning Symposium, organized by **Rescue-Experience**. It was a day filled with inspiring speakers sharing medical insights, future innovations, technical solutions, and powerful personal experiences.

At CITRO Bonaire, our commitment extends beyond rescuing people—we strive to increase knowledge and awareness. We continue to deepen our understanding of the latest advancements in drowning care and rescue techniques, ensuring that we constantly improve our work.

CITRO Bonaire attends the Duikvaker Expo 2025

Duikvaker Expo 2025 is the annual expo for diving enthusiasts in the Netherlands and Belgium. It brings together organizations and businesses from around the world to host lectures, showcase new products, and foster valuable connections within the diving community.

For the first time, CITRO Bonaire participated at the duikvaker Expo 2025! This event provided a great opportunity to learn about the latest developments in the diving industry and expand our network.

A day full of engagement, collaboration, and new insights for CITRO Bonaire!

Support our work!

CITRO Bonaire operates voluntarily and at no cost, but funding is, of course, necessary. For this reason, we are asking for your help. Would you be willing to support us?

We leave the amount entirely up to you, as every bit helps.
